RÉMY
GONZALEZ PAULO

COMPUTER SCIENCE STUDENT

Annecy, France
+33 6 45 27 19 91
remy.gonzalez-paulo@etu.univ-smb.fr
linkedin.com/in/remy-gonzalez-paulo

TECHNICAL SKILLS

Web development
HTML, CSS, JavaScript
4/5

Object-oriented programming
C# console applications
3/5

Additional web technologies
React, Next.js, Node.js, Express
2/5

Software and tools
VS Code, Visual Studio, Microsoft Office, Figma
4/5

SELF-ASSESSMENT SCALE

1 Beginner
2 Basic knowledge
3 Working knowledge
4 Comfortable use
5 Advanced proficiency

Data and graphics
CSV, JSON; introductory SVG mapping

PERSONAL SKILLS

Teamwork
Collaborative FORMA project

Organisation and communication
Minutes and coordination at ODIN

Initiative
Independent study of React and Node.js

LANGUAGES

English | B2
Upper intermediate

Spanish | A2
Elementary

PROFILE

Second-year computer science student specialising in application development, with an interest in front-end web development. Practical experience in HTML, CSS and JavaScript through a team project, plus a foundation in C#.

PROJECT EXPERIENCE

FORMA 2025 interactive map — Nov 2024 - Mar 2025

Team project

Collaborated on an interactive event map using HTML, CSS and JavaScript. Worked with CSV and JSON data, explored SVG mapping, and helped organise the team's project work.

COMMUNITY EXPERIENCE

Volunteer mentor — Sep 2026 - Present

CoderDojo

Help children with coding activities and support session logistics and organisation.

Volunteer secretary — Apr 2026 - Present

ODIN student association

Write meeting minutes and reports, support day-to-day operations and liaise with internal services.

Online Community Support Volunteer — Aug 2023 - Present

Association

Help manage support tickets and organise online events. Write and apply moderation procedures to support member safety.

EDUCATION

BUT Informatique — Year 2 in progress

Annecy University Institute of Technology (IUT), Annecy, France

University of Savoy, Annecy, France.
Three-year bachelor's degree in computer science; track in application design, development and validation.

Baccalauréat technologique STI2D, SIN — 2025

Louis Lachenal High School, Argonay, France

French secondary school diploma with honours, specialising in information and digital systems.

INTERESTS

Percussion for 12 years: darbuka, bongo-cajón and drums; complex time signatures. Cybersecurity, electronics and video games.
